An aerial photograph of a residential neighborhood. A red L-shaped line is drawn on the image, starting from a point in the upper-middle section and extending horizontally to the left and vertically downwards. The area contains several large, multi-story apartment buildings with orange-tiled roofs, interspersed with green lawns and trees. A major road with multiple lanes and a median runs along the bottom of the frame. Other smaller streets and parking areas are visible throughout the scene.

Ponto localizado na esquina norte do passeio em triangulação. Junto à entrada do jardim voltada para a Rua Professor Barbosa Sueiro. O ponto localiza-se junto ao solo.
